

# 38 Shots

**fired in the last 3 months.**

**\$100,000 cash reward. Talk to us. We're listening.**

**2 shooting murders and 7 injuries in 2010 alone.**

Do we really want to wait until a **child** is killed in the crossfire? Spent bullet casings are being found in populated areas – places in our communities where your children, your mother, your grandfather, **could easily have been standing when those shots were fired.**

So far we've been lucky, but next time?

**Bullets** aren't discriminatory...they **can hit anyone, anywhere.**

We are reaching out to you, the general public, to help us, Crime Stoppers Bermuda, to **take action now** and **stop the madness!**

Call us on our confidential telephone number **800-8477**

(TIPS), or use our Crime Stoppers Web Tips at [www.crimestoppers.bm](http://www.crimestoppers.bm) to forward any information that can help **STOP THIS VIOLENCE – AND END THE SILENCE.**

We assure you that your call to Crime Stoppers Bermuda will be treated in the strictest of confidence by our 'call-takers' in Miami, Florida. The information you provide anonymously could help identify these criminals. We do not want to know your name, but **we do need your help to stop this senseless violence.**

**Crime Stoppers Bermuda**, in partnership with the **CONCERNED BUSINESS COMMUNITY** and **Rise Above Bermuda**, are offering a **reward of up to \$100,000** for any information that leads to the arrest and conviction of individuals involved in these murders and/or the seizure of firearms.
