TEST 4 VERBAL REASONING

Some time on the night of October 1st, the Copacabana Club was burnt to the ground. The police are treating the fire as suspicious.

The only facts known at this time are:

- The club was insured for more than its real value.
- The club belonged to John Hodges.
- Les Braithwaite was known to dislike John Hodges.

Indicate, based on the scenario above, whether the following statements are:

A = True B = False C = Impossible to say

1. A member of John Hodges' family died in the blaze.
2. If the insurance company pays out in full, John Hodges stands to profit from the fire.
3. The flat where the plan was found is close to the club.

TEST 5 DICTATION

You will be required to transcribe correctly from voice a passage of approximately 300 words.
